RECENT EVENTS

On 17th April a group of 44 SNYSB+ members, parents and friends went to the Mountbatten Festival of Music in London. Mandy Whitham was one of the attendees and she writes:

'Well, what a night we had! Thanks to our wonderful friends in the Royal Marines we had a superb night at the Royal Albert Hall and the Mountbatten Festival of Music. The RAH is always a stunning venue but the diversity of the music was just breathtaking and the professionalism of the band is second to none. And to watch our youngsters on the edge of their seats, literally bouncing with excitement and watching the soloists and virtuoso performances was what it was all about.....they were blown away. Thanks Royals, thanks SNYSB and thanks to everyone else who was on the trip for making it so wonderful.'

FORTHCOMING EVENTS

On Sunday 17th May we have organised a concert at Diss United Reformed Church in aid of the Nepal Earthquake Disaster so please come along and support this excellent cause. Tickets will be available at band rehearsals.

The annual concert at **North Lopham Church** follows shortly afterwards. This is always well-received so please come along.

The **Family Fun Day** on 14th June promises to be a good day, from 11-5pm, with free entry tickets for families of band members! It has a pirate theme so come appropriately attired if you would like to!

Please note that the **South Norfolk Music Festival** which was planned for 20th June has had to be CANCELLED by the organisers as it got too big for the venue from a health and safety point of view! They hope to try again next year and they will contact us.

Planning for the **Malaysia trip August 2016** is underway. Ideas for fundraising gratefully received.

To date the Fundraising Calendar Malaysia 2016 looks like this:

30th May 2015 Cake Stall Harleston

18th July 2015 Bag Packing at Budgens, Harleston 10-1 (Jan McClintock) - packers welcome

14th Nov 2015 Halloween Dance to the Funk Soul Brothers, The Apollo, Harleston (Simon Golby)

Please support these events.
