

BAND REP. NOTES

June 2011

Hello! And welcome to our very first Band Rep. Newsletter. We thought we would write to Band Members and Parents to tell you what we are up to at the minute.

FUNDRAISING

We have had a few ideas for fundraising, which we will outline below, **but we want ideas from band members**. If you have any ideas of how we can raise funds for Malaysia then come and see us and we can help out, whether it is organisation, or just doing it with you!

DRINKS CANS

As some band members may already know we have started collecting drinks cans on a Tuesday night. However, only collecting drinks cans on a Tuesday night won't get us very far! So we urge you to collect cans at home or school or anywhere you can think of and bring them in. The material of the cans does not matter, so whether they are coke cans or beer cans we will take them all!

OLD CDs and DVDs

We have mentioned this on a Tuesday night, but whether the message made it home is debatable. We are also collecting old, unwanted CDs and DVDs as part of our fundraising. There are a few rules as to what they accept;

1. The disc must be in the right case
2. The disc must **NOT** be a copy or pirate
3. The disc must **NOT** be cracked or have dents, deep scratches or other serious damage to it (light surface scratches are usually accepted)
4. All original packaging must be present (including artwork and booklet where relevant)
5. The packaging must be in good conditions. Cases may have light scratches, but booklets and artwork near to be free from tears, stickers and other major blemishes

SPONSORSHIP FORMS

Sponsorship forms are now available on a Tuesday night. These can be for any sponsored event you wish to take part in.

To summarise, please remember to collect drinks cans, and start bringing in your old and unwanted CDs and DVDs. In addition, we need group fundraising ideas, so if **ANYONE** has an idea come and tell us and we will try to make it happen.
