## RECENT EVENTS

The **Family Fun Day** held at Wymondham Rugby Club was very well attended and SNYSB+ put out a good band which was much appreciated by the crowd. This has also led to some useful contacts being made.

At the end of June SNYSB+ did something different and played outside Old Buckenham Village Hall while people arrived for the summer ball - a big thank you to all who attended.

The South Norfolk on Show event in Long Stratton at the beginning of July was exceedingly wet! However, the band was well-balanced and made a good sound. Jo Mason kindly pushed some of the collected rainwater out of the bandstand canopy with her umbrella, although I don't think the lady she soaked with it thought she was very kind! The collected parents watched in anticipation at the large pocket of water hanging above Mike's head, but we were disappointed as it stayed put!

## **FORTHCOMING EVENTS**

After the school summer holidays the band reps have organised a band social event on the Saturday and there will be a play-in at DYCC for both current and past members on the Sunday. This was a great success when we did it for the 40<sup>th</sup> year celebrations so do make sure you keep the weekend free!

## **NEPAL CONCERT UPDATE**

Mandy Carter has sent a cheque for £860 to 'Global Action Nepal' which will go to their 'Rebuild Nepal' fund. This contact was made via a friend of Jane Kelly's who attended the concert. They will keep us updated and we can follow their progress via <http://www.nepalaction.global/latest-news>

Well done to everybody who was involved.

## **MALAYSIA TRIP**

Planning and fundraising for this continues - please support these events as much as you can.

Phil, who is leading the trip, will be sending out a letter asking for a deposit and outlining when future payments will be due - just over a year to go!

## **AUGUST**

The summer holidays are a slightly quieter time for the band so there will not be a separate newsletter in August but rehearsals continue every Tuesday so please make sure you attend when you can, especially as we have one of our biggest concerts of the year at Diss URC on 19<sup>th</sup> September. Tickets for this will be on sale from Mandy Carter in September at rehearsals.
