### **RECENT CONCERTS**

'Backstage at the Proms' with the Thetford Players was a great evening! The Thetford Players are a music and drama group who have been together since 2010. The first hour of their concert included favourite songs from their previous shows, we then played for 30 minutes and then there was a 30 minute 'Proms Section' with them singing whilst the band played! They had wanted a live band to perform with for a long time and, having seen us at the gig at Old Buckenham Primary School, asked us to join them! Both the Players and the audience really appreciated SNYSB and we were treated to uproarious applause!

The concert in aid of MacMillan at New Buckenham Village Hall was another success! MacMillan Cancer Support is a fantastic charity which provides practical, medical and financial support and pushes for better cancer care. Clive Rush from Mill House Garage organised this concert to raise funds for them so it was for a really good cause.

### **FUTURE CONCERTS**

The Songs from the Shows is nearly upon us! It is one of our biggest concerts so please make sure you attend! We are very fortunate to have Jayne May-Sysum singing with us again this year.

### **POLLARDS**

This is our annual internal band music competition and is on Sunday 24<sup>th</sup> November 2013 at 2pm at The United Reform Church in Diss. It is open to everyone and EVERYONE is encouraged to perform. There are sections for younger and older players and for wind, brass, percussion and ensembles (groups). Parents are encouraged to come and support.
