RECENT EVENTS

The **Rural Pastimes Event** at the Euston Estate was great! It was like a low key version of The Royal Norfolk Show! Once we found our spot all was well. We were on the 'food aisle' which attracted a lot of passers-by. We also had some enthusiastic young dancers to accompany us! We more or less dodged the rain and also every band member got a £5 voucher for lunch! My negotiation skills are getting better!

Unfortunately our proposed visit to Harleston Antiques Street Fayre had to be cancelled as the band was unbalanced, but thanks to everyone who had signed up.

The **Funday at Wymondham Rugby Club** was a great success! The weather was actually **GOOD** and the organisers were able to spread the stalls out much better than they could last year when it was wet. We had a good spot and attracted quite a big audience as well as the music reaching across the whole area. Again we had a good-sized and balanced band. Thank you everyone.

Thanks to everyone who came to the full day Malaysia rehearsal on 10th July. I hear it was very well attended with good progress made musically. The three documents given out on the day have been emailed to everybody who is going - please tell me if I have missed you somehow!

FORTHCOMING EVENTS

We have been asked to play at St Johns Church, Harleston on Friday 5th August. I have been informed that there is a car park up the side of the church. We are being paid £200 for this concert so please make every effort to attend.

Our final pre-Malaysia full day rehearsal is on Sunday 14th August.
And then we are off to Malaysia!!!!!!
